Office (PTO) and will be sure Document may be lost. Unless it is desired in the patent application.

It is to file his/her patent application since the filing

under the patent law or to practice before the Patent Office, is available listed in the telephone

he world more than one

of evidence which may

also be used to establish priority.

There is a nationwide network of Patent and Trademark Depository Libraries (PTDLs), which have collections of patents and patent-related reference materials available to the public, including automated access to PTO databases. Publications such as General Information Circulars as well as the PTO's Web site at www.uspto.gov. To find out the location of the PTDL closest to PTDLs that appears on the PTO's Web site or in every issue of the Official Gazette, or call the O-4199 (800-786-9199) or 703-308-HELP (703-308-4357). To ensure assistance from a PTDL, it is prior to visiting to learn about its collections, services, and hours.
